VILLA SHAVA

## Nº7 VILLA SHAVA

**Villa Shava sits on a south-facing plot with amazing views across the Mediterranean to Gibraltar.** The carefully thought-out orientation of the villa ensures uninterrupted sea views and complete privacy. The villa has generous terraces, making the most of the fabulous Marbella climate, and an ample garden with enough room for an organic vegetable plot if so desired. In key parts of the villa the windows disappear into the walls, framing the undisturbed, panoramic views of the idyllic natural surroundings. There are four spacious ensuite bedrooms, with the Master Suite and two guest bedrooms enjoying their own private terraces. Built over four floors with a basement of nearly 200 metres squared, this is a perfect family home.

Nº7 SHAVA

A wide-angle, nighttime photograph of a coastal city. The foreground shows a densely populated urban area with numerous lights from buildings and streets. In the middle ground, a large body of water stretches across the frame. In the background, a range of mountains is visible under a deep blue twilight sky. The overall mood is serene and expansive.
